# WHOLESALE PRICE LIST.

FALL, 1912—SPRING, 1913.

## Eastern Nurseries.

JAMAICA PLAIN, MASS.

---

SHIPPING SEASON opens about March 20 to April 1 in the Spring, and continues until May 20 to June 1, and opens about October 1 in the Fall, and continues until the ground freezes.

ORDERS.—Write plainly and give **explicit directions** as to address and mode of shipment; otherwise we will forward **according to our best judgment**. All goods travel at purchaser's risk. We assume no responsibility for the goods after delivery to the forwarding companies.

When losses occur by delays, claims should be made **at once** on the forwarding companies.

CLAIMS, to receive consideration, must be made **within ten (10) days of receipt of goods**.

While we exercise the greatest care to have all Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that prove untrue, **we do not give any warranty, expressed or implied**; and in case of an error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods.

PACKING.—We take great care in packing, using damp moss to protect roots. Boxes and bales are charged for at cost.

RATES.—The prices in this list supersede all previous rates, and apply to quantities specified, but two hundred and fifty will be furnished at the thousand rate, twenty-five at the one hundred rate, and five at the ten rate.

TERMS, CASH WITH ORDERS, except to such persons as satisfy us as to their responsibility.

**A Certificate of Inspection** will accompany each shipment.

**Address all communications to office.**

## SARGENT

This latest of Mr. Dawson's Silver Medal Roses is now offered for sale in limited quantities. This rose combines the good qualities of Rosa Wichuraiana, Rosa Crimson Rambler and Rosa Baroness Rothschild, all of which have been used in its evolution. The flowers are single, frequently with a double whirl of petals, and about three inches across. In color, they vary from clear flesh-like rose to a pale pink, almost white, giving a most pleasing variety. They are produced in great profusion in pyramidal clusters all along the strong branches, often as many as fifty flowers on one cluster, and continue to appear from the beginning of June until early July. The foliage, which is a beautiful glossy green, remains in good condition until late Fall. \$1.50 each.

REMEMBER THE STOCK IS LIMITED. ORDER NOW.

## WM. C. EGAN

This rose was awarded a medal by the Massachusetts Horticultural Society in 1900. It was produced by crossing Gen. Jacqueminot on Rosa Wichuriana, but shows no trace of either in its bloom. The flower is large and very full, resembling in shape as well as color Souvenir de la Malmaison. Although only an annual bloomer, it remains in flower several weeks, and the large trusses of superb blooms are unusually attractive. Mr. Dawson considered this the best of all his numerous hybrids. It is unquestionably hardy and reliable. 5 inch pots, 75 cents each; \$6.00 per ten.

## FARQUHAR

This rose was awarded the silver gilt medal of the Massachusetts Horticultural Society, certificated by the Horticultural Society of New York. The Farquhar Rose has glossy, bright green foliage which does not drop, but retains its lustre until cut down by severe frost, a feature which makes it most valuable for covering trellises, pillars, summer-houses and rocks. It is perfectly hardy and bears magnificent clusters of bright pink double flowers on long stems which are most serviceable for vases and table decorations, and bloom several weeks later than the Dawson Rose. Fifty cents each; \$4.00 per ten.

## MINNIE DAWSON

This rose was awarded a medal by the Massachusetts Horticultural Society in 1896. It was produced by crossing Rosa Multiflora and Dawson. The flower is double white with yellow center and is very delicate. It is a climber and has foliage similar to the Dawson. \$1.00 each; \$9.00 per ten.

## LADY DUNCAN

This fine rose was awarded a silver medal by the Massachusetts Horticultural Society in 1900. It is a hybrid of the ever excellent Rugosa and the Memorial Rose (R. Wichuriana). It has the prostrate long rampant growth of the Wichuriana, while the Rugosa blood shows in the luxuriant, dark, glossy foliage, and in the profusion of large, single flowers. The petals of rich glowing pink melt into an exquisite large yellow centre. Lady Duncan is perfectly hardy, even to Canada, is a strong grower, free bloomer, and of long duration of blooming.

The stock is limited. Order now for Spring delivery. Good strong plants which will yield a mass of blossoms in late June. \$1.00 each, \$10 per dozen.

## DAYBREAK

This rose was awarded a silver medal by the Massachusetts Horticultural Society in 1899. It is a rose of *Wichuriana* type crossed with *Rambler Dawson*. A vigorous grower, profuse bloomer, excellent too for forcing. The flowers are single, in great pyramidal clusters of deep, yellowish pink, somewhat darker than *Lady Duncan*, the petals of a lighter shade toward the centre. The foliage is bright, glossy green, and the habit trailing, like its parent, *Wichuriana*. 2 to 3 feet, \$1.00 each; \$9.00 per ten.

<b>Henryi</b> (New) Chinese	5 in. pots . . .	\$1.00 each	9.00

NOTE:—In habit this new climber resembles our native woodbine. The ground color of the leaves is dark velvety green, with the mid-rib and principal veins silvery white. The foliage has a very striking appearance in autumn when the ground color changes to vivid red, the mid-rib and vein remaining white. In Massachusetts this vine requires protection during winter, but would probably prove quite hardy south of New York, or even farther north where the influence of the ocean moderates the temperature.

## DAWSON

This rose was awarded a medal by the Massachusetts Horticultural Society in 1894. This charming hybrid was raised from seed of Multiflora crossed by Gen. Jacqueminot. It is a vigorous plant with long shoots, covered during the blooming season with pretty clusters of fragrant, bright pink, semi-double flowers, and is very desirable. Fifty cents each; \$4.00 per ten.
